

For safety reasons, the YMCA has set some guidelines for your private lessons.

1. Parents are allowed to watch from the pool deck as long as the child is not being distracted. Please keep talking to a minimum. Children are not allowed to run around on the pool deck.
2. When canceling a lesson, contact the instructor 24 hours in advance. Any late cancellations or no shows will be counted as a lesson and will not be able to be made up. If you are late for a lesson, only the remaining time of the lesson will be given. (There are exceptions for emergencies)
3. Parents or students should let the instructor know of any special needs or health problems they may have. (For example, previous bad water experience, health issues, relates better to males or females, ADHD, etc.)
4. If the parent would like the instructor to work on any specific skills, please let them know by the first class.
5. All class times are half hour in length. The two/three student packages are still only half hour classes. (two/three students will share the half hour)
